Hello

I would not beat about the bush: I have a mission now, to attempt to bring truth, justice and democracy within the Constitution of the United Kingdom. Please consider:

(a) We are the Conservative Libertarians (UK):

<https://app.joinit.com/o/conservative-libertarians/>

We need 15 volunteering members to act as officials for the Party to enable us to complete our registration with the Electoral Commission.

If you are able and willing to assist us, we can waive the Membership Fee.

(b) With your developing knowledge and expertise you may also be interested in listing yourself in this Directory for Conservative Libertarians: <https://knowledgefoundersunited.com/>

Best wishes

Thank you Shantanu,

This is great work. I am happy that you reached out! I read about the conservative libertarian's and their mission. I found increasingly useful the values of Dhamma, knowledge and wisdom to guide politics which was mentioned on the website.

About me, I am a second year student studying Politics and IR at QMUL. Learning and growing my knowledge is a core part of me as I ensure that I create a difference when I step into the world of governance.

I am excited for the opportunity, would love to learn more volunteer role and their work.

Thanks

Hello,

Thanks for sending me those emails with the websites. I was unable to look at each of them properly since I had to submit an assignment yesterday so all my focus and time was allocated there.

But I will make sure to check those websites today, and contact you for any confusions.

Thanks

Krati, I owe you an explanation. I wrote that for legal reasons I could not offer free membership to anyone and this is being tested in the Courts this morning: read

<https://www.knowledgeassessmentanddissemination.com/post/case-progression-j00me572-or-e35ym660-update> This is because I cannot promote the Republican agenda by offering free

membership. I have two Membership Accounts and it is for people to find them, do their research and work out for themselves if they wish to take up membership. I hope this clears the

confusion. I cannot encourage even for anyone to take up Membership. I have issued a press release as attached: ToLucy Trevelyan AnnaTarrantPaulTiwanaBishopLizTruss(New Post by Shantanu Panigrahi)16Feb2025.docx

Dear Stripe

At long last I have come to realise that there is nothing that anyone can do for me in terms of trying to rectify the ills within the society of the United Kingdom. It can only be achieved through the political process that I have identified; for the problems are deeply ingrained as you will note from the attached correspondence:

ToOlivesSoliciotscPHSOKMPTOPCCJilUessonPSDKentPoliceConspiracy between Kent Police these bodiesCanellationofAppointment3March202510.45amwithDr Oranusi)12Feb2025.docx; ToPol&CrimeCommissionerforKent(Criminal ConspiracyInvestigation)12Feb2025.docx. No one takes any notice of other people's sustained injustices suffered at the hands of unidentified secret services of the State.

I am a peaceful and truth-accommodating individual who does what is in his God-given attribute to make progress towards a better future for all of us in the United Kingdom and this process has been enacted through my two Membership websites at JOIN IT and Brilliant Directories that Stripe has kindly enabled me to proceed with.

Everything that I do must be lawful within the present interpretation of the unwritten Constitution of the United Kingdom, which the records show is dictatorial towards conscientious objectors disenfranchising the believers of truth, justice and democracy; and so be it.

Yours sincerely

Dear Stripe The victimisation that I am prepared to settle for is a modified value of £300 million from PayPal and its evil perpetrators that numbered around 5,000 over the past 27 years who terrorised me from a diverse set of angles to disrupt the legitimate work that I undertook in

freelancing; the fullest extent of the terror would take years to uncover. I have begun this process with no cooperation from the State authorities whatsoever and am today examining what the source of the infestation of my <https://theconservativelibertariansociety.com> website is that the individuals concerned have not replied to my over 40 emails, see: EMAILS SENT FROM 9 FEBRUARY 2025 TO MEMBERS WHO JOINED THE CONSERVATIVE LIBERTARIAN SOCIETY WEBSITE.pdf. Dear Financial Ombudsman

I have in the past 2 hours received this email from Tide Bank (Clear Bank) that seeks to address my complaint against it and the 5 other Banks that are part of the conspiracy of silence that is currently in place.

i have today faced a fresh round of terrorism of nuisance that I sought an explanation for as attached: ToJOJOaKON(ONLY CONSERVATIVE LIBERTARIANS ARE ENTITLED TO POST IN THIS ORGANISATIONS WEBSITES)14Feb2025.docx.

My reply to Tide was set as follows:

All 6 Banks ganged up on me along with the Financial Ombudsman to whom the complaints were taken. The Court officials were also part of the conspiracy against me that I was victimised with to protect the security services of the State of the United Kingdom. Similarly, the mental health authorities were manipulated to terrorise me as if there is something wrong with my mental state, when I am not just the sanest person in the world alive today, but the sanest who has ever walked on the surface of the Earth. The State of the United Kingdom punished me for taking the University of Greenwich to Court and then taking the successive Prime Minister to Court and finally taking Kent Police to the civil and criminal courts as well as issuing an application to have the Crown Prosecution Service arrested for failing in its duty to prosecute the Chief Constable of Kent Police. So all in all I have suffered great persecution and terrorism from the State of the United Kingdom over the past 27 years.

Tide Bank pretended to be helping me but was complicit in the victimisation of myself by the Orders of the monarchical Establishment of the United Kingdom.

Yours sincerely

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

It is a very complicated matter that you need to spend time delving into, with specific reference to the unwritten Constitution of the United Kingdom that enables monarchical Establishment terrorise the unsuspecting population. If I had time I would go into it. but my Party aims to change all of that, to bring the Courts to heel, to bring the Police to heel, to bring the MI5/MI6 to

heel etc. You would need to study the 331 eBooks that I have written to find out these details. It is very difficult for me to discuss it here.

Krati Basotia (She/Her) 9:41 AM

No you can just let me know why I was cc'ed in the email this morning please that would be fine ?

I told you that in my assessment Your Membership Accounts were all legal, but you delayed in questioning me what you subsequently did by asking me: 'How' so I assumed that you needed to be reassured by the Judiciary that by becoming a Member of the two websites, you are not breaking the law. The Court has to write to you and advise you one way or the other as to whether you have violated the law by enticing me to give you free memberships even though I told you we are a Republican Party. The Court needs to know the full background of my interactions with you from the day that you accepted my invitation to connect with you on LinkedIn which is why I sent the Court the full account of that conversation. I suspected you of having played a foul game with me from the very beginning making excuses that you had an assignment to do so could not activate the Membership accounts that I had originally set up for you on a free basis, and I know you did not read the email for the first one from Brilliant Directories for two days after I set up your Membership Account. Finally, I was beginning to think that you are a Buddhist and not a Hindu so did not understand Dharma Rakshati Rakshita as a universal law, and had come into my connections surreptitiously. You can make all these arguments as a rebuttal to the Court when the proceedings come up for a Hearing.

Krati Basotia (She/Her) 9:53 AM

Proud of my wife's new initiative to open up the doors of Downing Street to young people from across the country. Improving education is a big reason I entered politics, and I look forward to seeing many more schools here throughout this term.

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

<https://www.knowledgeassessmentanddissemination.com/forum/questions-answers/making-it-up-as-one-goes-along>

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I

allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Transcript of a Video Update

in General Discussion

<https://www.theconservativelibertariansociety.com/forum/general-discussion/transcript-of-a-video-update>

Hello there everyone. This is Shantanu Panigrahi here. Today is the 11th of November 2021. The time is 13.37 pm here in the United Kingdom.

I am having a bit of a review because all my tasks are over. I have completed my studies and researches into the nature of Reality and have managed to navigate myself through that reality which I describe as being Brahma-Nature composed of sattvic, rajasic and tamasic guna interactions. It has taken me 24 years to fathom it all out and there has been terrible tussles with the State of the United Kingdom to let me pass my way through that so that I could study humanity and I could study Humanology and derive my own conclusions on what is existence for mankind. I have written 20 books of which some are just booklets or pamphlets whereas others are quite detailed accounts of all my studies and communications with various people over these 20 odd years, and these are all available if anybody would like to visit my website at the allurementofrealityinreview.com/shop, they are free to do so and purchase a copy of any of these materials that they would like. If you are a Member you can make a small donation and that would let me send you a copy of the particular material directly to you by email.

So I have survived great odds over the past 24 years. I was not mentally ill but I had a deep compulsion to seek the truth and the truth was something that was sparked by awakenings in me through utterances and writings that I was doing while I was in the University of Greenwich which got me to a state that I virtually abandoned my scientific career and move on to find out whether there is a God or not who was the Higher Entity within my mind and body that was getting me to doing certain things. And the certain things were quite specific, and they were on reflection the Sudharshan Chakra of Sri Krishna because today I am at a point of total liberty, discharged by the mental health authorities after numerous years of having been kept in mental hospital on two occasions and kept in the Care in the Community provisions since 2008. I was discharged from all mental health monitoring and surveillance back to the GP Service although I am still taking my medications of risperidone, sertraline and depakote antipsychotic, antidepressant and moodstabilising agents as a precautionary measure from the point of view of the GP Surgery and my wife so that from what they consider to be the reality they do not want me to slide into paranoid schizophrenia and persistent delusional order or autism no matter how much I try to convince them that this is not going to happen because I am totally normal in total peace of mind and am looking forward to the rest of my life.

So in that way I believe in the review of what is sanatana dharma, that sanatana dharma is a real dharma and it is the eternal law of the universe. I worshipped Sri Krishna as God and with various techniques that I used that I described as being satya-advaita yoga to determine exactly what God has in store for me. And that led me to using a clock-checking mechanism because I wanted direct question and answer sessions with God. And they were productive in the early days, but they became haphazard later on and finally I took leave of God to find out my own path into my research. And this led to various techniques that I used to home in at Brahmo-advaita

Vedanta, but that did not satisfy me because I was just reaching Brahman as Self or Consciousness. Brahman-Self was not realised by me as a real state of mind, and I then had to live my life in karma in Sanatan dharma yet again to discover what is the right duties and responsibilities of a citizen as a family member and as a person in global humanity in what he should spend his time on. I constructed the Conservative Libertarian Society as a global movement to set out the views of what Climate Change means to me in that it needs to incorporate the human dimension with the environmental and natural environment, all to be preserved as one in a holistic manner so that one part of it affects another part of it in deriving policies in politics that lead to a better world and lead in a comprehensive manner that will preserve the Environment and nurture the environment for it to be able to generate foods and services for us to live in.

Of course, that means that I am totally peaceful person, I would not harm even a tiny insect, I do not harm a bacteria or virus. I am not going to take the booster jab for coronavirus unless it becomes mandatory. I took two shots of the AstroZeneca virus jab, and I got pain in my arm from that from what I could make out. So, I do not destroy even a bacteria or a virus. It is really against my innate nature to do so. They are all part of the environment. The Gaia hypothesis says that we are in a wholesome Nature where each part of it is inter-related to another part in the ecology of the Earth-Atmosphere system and that includes all the gases that ever erupted out of the volcanoes to create the environment, and all the carbon dioxide, oxygen and nitrogen, the way they came about and what happened since in the creation of fossil fuels and such things that we are trying to reverse now in a very speedy manner that the Climate is not able to sustain without severe repercussions. My firm belief is that the Earth-Atmosphere system is a Gaia mechanism, and it will take its course if we humans do not do something to moderate our demands on Nature. So, I have said to the powers that be that we should curtail our demands and bring economic activity down to a lower level of expenditure for expenditures whether it is on coal or oil or uranium or solar power, or wind turbines, they are all expenditures in that they demand from Nature. They demand natural resources. And natural resources come from energy, energy comes from the environment. And it all gets used one way or the other. The only way forward is to reduce our demand so that we can find a sustainable manner of living as a global community where everything is in balance in Nature. Balance means total equilibrium. Economics is the key to it.

From globalisation of capital there is 400 trillion pounds in circulation in the world economy all available from past investments and past human activities that is always available for investment in the future. Some years ago, I had said to the authorities that all the extra money should be converted into gold and buried deep in the underground for future generations or for never to be used again. And that was the only way we could bring a halt to the rampant usage of natural resources to protect the environment that causes Climate Change and global warming. And this remains my philosophy right now in the Conservative Libertarian Society that I am the only member of right now; and actually, I do not mind that because my job is to raise the issues and create the environment; create the education that is needed for people to take account of in the future.

I am 65 years of age now and so I do not have much longer to live. So I do not wish to become active in any activism sense other than just pour out my thoughts born of deep knowledge, the knowledge that I have accumulated by the fact that the United Kingdom has been a heaven-sent opportunity for me in having educated me from the age of 15 to 40 and since then using the facilities that I have had (computer) at home to investigate all aspects of life by quizzing, probing and exposing the truth of how we humans live. So, I am grateful to the United Kingdom as I have said in the past, and notwithstanding that I have said bad things to criminals for terrorising me

incessantly to try and put a stop to my activities, when I used all kinds of bad names like madarchod, criminals, bastards, and other horrible names; they were instigating them to get me under attacks even more. But casting that aside I have said that I would never do anything to bite the hand that has fed me and my family for 48 years (my family for 35 years); and in that sense I am keeping quiet and waiting for my destiny.

This video is made on a day that I find myself in total liberty to generate food for thought to anyone who might be interested in my views and experiences.

Thank you

This is with regards to Mr Shantanu approaching me on LinkedIn saying that they would like me to offer a free membership of their party. They have sent me a message on LinkedIn saying me to look at their website and be a part of it. However i haven't taken any action, since I didn't wanted to buy any membership at the first place because u was not aware of their party and wanted to take time.

I see, thereof no reason why i am a part of this email hence i leave.

Thanks
